## TESTIMONIALS

Clare & Craig White - Wedding Testimonial February 2020

To the whole Team at Ma Maison – You guys are superstars! Our wedding at Ma Maison was fantastic. Amy was our main point of contact and was amazing to deal with. Every detail was thought of and nothing was a problem. She even managed to get a special venue licence for the grassed area out front, which was the first time for them, making the venue that bit more incredible. Every single one of our guests raved about the service from all the staff. The attention our guests received was impeccable. I can honestly say that these guys felt more like welcoming friends than staff, and Craig and I were so grateful for that.

Chef Muni brought our dinner party-style food ideas to life, with delicious canapes and a shared style menu which everyone loved – full of fresh, local and creative options, and all our different dietary requirements were catered for with ease. Our vision for the evening was more party-style wedding than traditional, so live music was a big part of that. The team was so helpful and collaborative when it came to getting the set up just right and making sure we could dance the night away – and that we did! On top of everything else, Ma Maison's location makes it one of the most beautiful spots in NZ to get married. Dealing with the professional and experienced team is why we can't recommend them highly enough.

Many thanks Clare & Craig :)
